

A group of people are sitting around a campfire at dusk. The fire is burning brightly in the foreground, with several sausages and corn cobs being roasted on sticks over the flames. The background is softly blurred, showing people in casual attire. A large, semi-transparent white letter 'A' is overlaid on the top left of the image.

MICHIGAN OUTDOOR SUMMIT

2024 SPONSOR PACKAGES

**OCT 9-10, 2024
TRAVERSE CITY**

The Michigan Outdoor Summit is a space that elevates the crucial conversation about the importance of the outdoors — for the economy, health, quality of life and so much more. It is a place to greet old friends, convene around issues, create new partnerships and play outdoors together.

In other words, think of us like a base camp for the outdoors — we've got a big tent, so everyone should fit just fine.

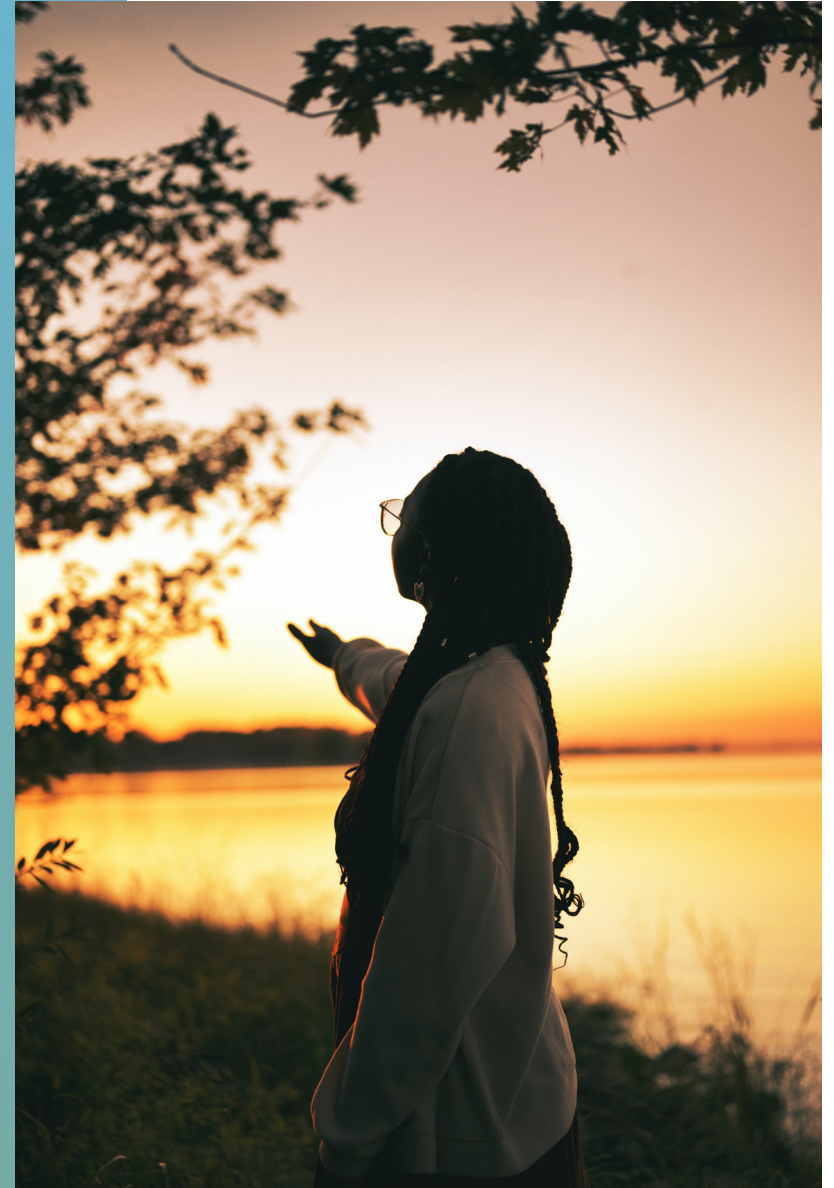

SHARE IN THE STOKE

The attendees for the Michigan Outdoor Summit represents every part of the state's outdoor community, with the event selling out its first year. The 2024 Summit will convene a broad range of stakeholders, build shared understanding, and catalyze meaningful action to ensure a sustainable and vibrant future for Michigan's outdoors.
